

TOWN OF BARRINGTON PUBLIC WORKSHOPS ON TOWN BEACH, LATHAM PARK

You are invited to attend the Town of Barrington's workshops scheduled this month to discuss future plans for Latham Park and Barrington Town Beach. Input from the public will help the Town's consultant develop master plans for the two sites, and complete plans to replace the small beach building located at the entrance to Town Beach.

The workshop schedule is as follows:

- **Latham Park Workshop: 7 to 9 p.m. Tuesday, January 26, 2010.** Focus: potential improvements at Latham Park, including passive and active recreation.
- **Barrington Town Beach Workshop: 7 to 9 p.m. Wednesday, January 27, 2010.** Focus: potential improvements within the developed areas at Town Beach. Discussion to include the construction of a new restroom/shower/storage building at the Town Beach, potentially in a new location.

Both workshops will be held at the **Barrington Town Hall, 283 County Road, in the Council Chamber on the 2nd floor.**
